A Little About Us:

With over 50 years of experience working with youth and horses, we became a non-profit ranch, in 2014. Wild Rhody Ranch was created for the purpose of Mentoring Youth, Rescuing Horses and Empowering lives. It was birthed out of our love for God, horses and kids, and the magic that takes place when they connect. This is accomplished through our educational horsemanship programs and by spending time together at the ranch, building memories that last a lifetime.

Activities: camps, riding lessons, birthdays, parties and other outdoor events. Additional courses, such as Archery, Basic Survival Skills, Gardening, and Hand Crafts are available. One on one sessions are built for
